USED HORSEWHIP ON

SCHOOL TEACHER.
Parent of Punished Boy Met Flanders
Teacher in the Road.

Principal Walter Hammond of the
Flanders school was the victim of a
horsewhipping at the hands of Robert
Wheeler, manager of the C. D. Wilson
farm in Flanders, Thursday morn-
ing. Hammond was horsewhipped ac-
cording to the report, about 5 o'clock
at Flanders Corners, when Wheeler
drove up behind him in a wagon and
struck him with the horsewhip twice
according to the story. Hammond said
Friday that he had complained to the
authorities and that Mr. Wheeler
would be arrested.

According to Principal Hammond,
the two Wheeler boys abused George
Antonio Thursday evening. Wheeler
is 12 and his brother Martin is 9.
He kept the two Wheeler boys after
school and whipped them with the
horsewhip. The Wheeler boys, he says, threatened
him and dared him "to touch them
again" which he did. They went home
and complained to their father.

While he was walking toward his
home about 5 o'clock, Principal Ham-
mond states that Mr. Wheeler drove
up behind him and twice struck him
with the horsewhip and then made
considerable talk. With Mr. Wheeler,
says the teacher, were F. J. Brainerd
of Round Island and another man.
In his version of the affair, Mr.
Wheeler said that Principal Ham-
mond dismissed his boys from school Thurs-
day afternoon and after seeing them
lunch at their home, went off to play
about a quarter of a mile away. "They
got into a little muss and Hammond
came along and took them back to
school, where he gave them a severe
whipping. Not only that, but he tried
to make the two brothers punch each
other. He grabbed the other by the
arm and twisted it so that it was
sprained and he cannot use it today."

Mr. Wheeler said that the boys com-
plained to him and he sent them to
Hammond Friday afternoon and attempt-
ed to remonstrate with him. He denied,
however, that he struck Hammond
with the whip.

STEAMER DOLLAR CAN

COME NORTH SOON.

**Can Leave Brazil When Registry is
Changed from British to American.**

Washington despatches state that the
British government has not opposed
the transfer of steamship Robert Dol-
lar from British to American registry.
Clearance papers have been refused by
the Brazilian government for the de-
parture of the Dollar from Rio de
Janeiro for New London. The excuse
given was that the British minister to
Brazil had withheld his consent to the
transfer.

The state department and the British
embassy at Washington took up the
matter and learned that no opposition
from the British government was
opposed to the transfer of the Dol-
lar. The British minister in Brazil has
made his position clear, the Dollar will
be permitted to proceed.
The Dollar leaves a record shipment
of lumber which is consigned to Toron-
to for harbor improvements. The lum-
ber will be discharged at New London
and freighted to Toronto.

Horse Ran Away.
About 8:30 Friday morning a horse
owned by a man by the name of St.
Onge ran away and caused much ex-
citement while it was on its way
toward the city. St. Onge had left the
horse and wagon in front of the Peo-
ple's store and was inside talking with
one of the clerks when the animal all
of a sudden started off on a dead run
down Providence street headed for
Cove hill. When in front of the post
office the wagon skidded and hit a tel-
ephone pole and turned over. The horse
freed itself from the wagon and start-
ed at a terrific pace and was not
stopped until it reached the rolling pin
mill. On reaching here the animal
was somewhat tired out and Nathan
Bushnell succeeded in capturing it. It
is a mystery as to what scared the
horse. The wagon was quite badly
damaged and the horse got a small cut
on the leg.

**For Beautiful Hair,
Nourish the Scalp**

Dandruff must be removed and the
hair roots nourished to stop falling
hair and itching scalp. It is unnec-
essary to have thin, brittle, matted,
stringy or faded hair. No matter how
unightly the hair, how badly it is
falling, or how much dandruff, Paris-
ian Sage rubbed into the scalp is all
that is ever needed. The hair roots
are nourished and stimulated to grow
new hair, even all dandruff is removed
with one application, and itching scalp
and falling hair cease; the hair be-
comes soft, fluffy, abundant and radi-
ant with life and beauty.

Parisian Sage, a dainty perfumed
liquid, is one of the most pleasant,
invigorating and refreshing hair tonics
known, yet perfectly harmless and in-
expensive. After the first application
you will be surprised and delighted
with Parisian Sage, for there is noth-
ing that will so help to double your
present attractiveness as luxuriant,
glorious hair, and this tonic treatment
is all that can possibly be desired.

Be sure to get Parisian Sage from
The Lee & Osgood Co. or at any drug
